Hex Bolts, Flange Bolts, High-Strength Bolts, Flange Nuts, Hexagonal Nuts, Nyloc Nuts, Plain Washer, Spring Washer

- Cable Tie Wraps

Standard Cable Ties, Heavy-Duty Cable Ties, Releasable Cable Ties

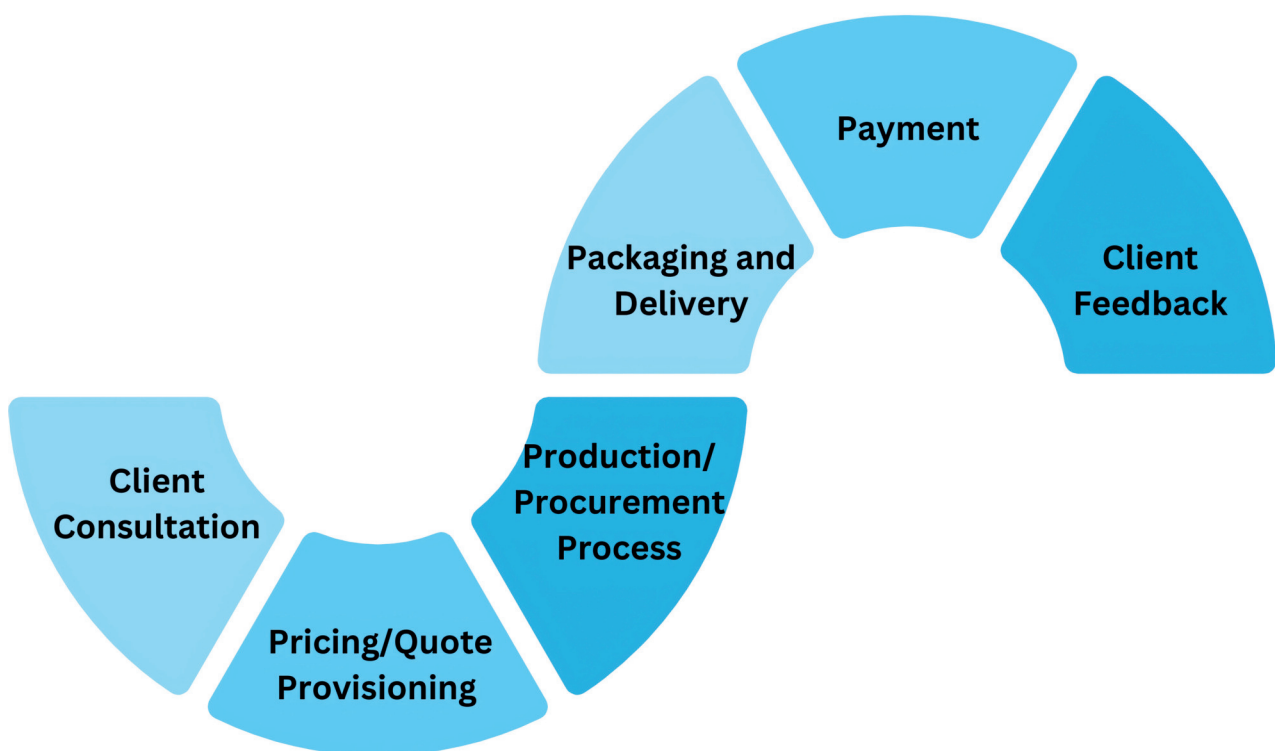

Please take time to browse through our brochure and do not hesitate to contact us on 0468391010 or via email at [sales@evolvx.com.au](mailto:sales@evolvx.com.au) with any queries you may have.

**Client Consultation :** Understand client's needs including the type of requirement, quantity, size and any design specifications.

**Pricing/Quote Provisioning :** Quote the client with a detailed and competitive pricing that includes itemized costs and timelines for completion. Once the quote is approved, we will initiate execution.

**Production/Procurement Process :** Manufacture or procure necessary goods as per client's requirements and ensure to complete the job within agreed timelines.

**Packaging And Delivery :** Ensure items are packaged carefully to avoid damage during transport. This includes wrapping, bundling and boxing. We organize freight and once dispatched, customer will receive shipping details to track the order globally.

**Payment :** Share an invoice based on the finalized order, including any applicable taxes, shipping fees, or extra services. Receive payments via a chosen method - internet banking, credit/debit cards, online payments etc.

**Client Feedback :** After the goods are delivered, request client's feedback on the final product and overall process to ensure continuous improvement and customer satisfaction.
